Good News, Advanced Genetics Seed Source

All sizes of our Canaan Fir are grown from seed harvested from the Ohio Grafted Orchard-OGO!! The orchard was established twenty-three years ago by Dr. James Brown at The Ohio Agricultural Research and Development Center located in Wooster Ohio. Dr. Brown selected the best of the parent trees from the orchard to provide scions for grafting this new orchard. The orchard offers advanced genetics with improved needle retention, later bud break, color, growth uniformity and shape. Your source for Canaan Fir Ohio Grafted Orchard seed and seedlings for your planting and growing needs.
