

Spring 2024

INFORMATION UPDATE

When we get closer to the seedling lift in Spring 2024, this is where you will find updated information regarding the progression of the lift, shipment of the seedlings from the West Coast and pick up and shipping timeline upon seedling arrival at Timbuk Farms. The information will also be sent via email as we have updates. Please watch your inbox as well as this information update tab as we approach March 2024.

Thank you for the opportunity to provide you with quality nursery stock.
